## NOTICE

**TO: All Interested Parties**

**SUBJECT: Processing Fee Cost Survey Public Workshop**

The Department of Conservation, Division of Recycling (Division) will be holding a workshop on the results and methodology of the most recent processing fee cost survey (cost survey). The results of the cost survey conducted during 2005 were used to determine the cost of recycling in order to calculate the processing payments and fees effective January 1, 2006. The survey results and methodology used by the Division will be presented in detail and participants' comments and questions will be addressed.

Anyone interested in reviewing the cost survey results and methodology used by the Division to determine processing payments and fees is encouraged to attend the workshop. Participants are also encouraged to present comments and questions at this workshop. The workshop will be held at the location shown below, on the date and time indicated:

**Thursday, March 30, 2006  
10:00 a.m. - 12:00 p.m.  
John Muir Conference Room  
801 K Street, 20<sup>th</sup> Floor, Sacramento, CA**

Please note that the workshop will begin at the time indicated and will only continue the full two hours as necessary. Attendees requiring more information after the conclusion of the workshop should contact the Division staff listed below.

In the event that you are unable to attend the workshop and would like to submit comments in advance or would like to receive copies of the workshop materials, please direct your suggestions and/or requests in writing to:
